MEMORANDUM

To: Jeff Wright, CEO

From: John F. O'Brien, PE, Deputy CEO 

Re: 2023 Proposed Budget

Date: July 14, 2022

Find attached the proposed Budget for KWA for the period from October 1, 2022 through September 30, 2023, commonly referred to as Fiscal Year 2023.

The proposed budget is based on volume sales at 12.0 mgd, as requested by Genesee County. The proposed budget is a one percent (1%) decrease from our previous year's budget.

We are also recommending a reduction in the current Commodity Rate for Fiscal Year 2023.

At \$3.00 per thousand cubic feet (mcf), the Authority anticipates just under \$900,000 in additional revenue for our fiscal year ending on September 2022. This will bring our unrestricted reserves up to over \$11 million or 5 plus years of operating costs. Based on our recommended reduction in the Commodity Rate from \$3.00 to \$2.75 mcf in fiscal year 2023, we project a balanced budget with no gain or loss for 2023.

In addition to our unrestricted reserves, we also have a bond reserve fund. We are required to maintain this fund through the life of the bond sufficient for one annual payment of our debt. This is currently at \$19.6 million. Interest earned on these funds is returned to the original capacity owners in the form of a monthly credit on their billings.

Without objection, I would like to forward the budget to the full Board for public hearing and final approval.

I have attached Resolution No. 2022-02 and Resolution NO. 2022-03 for your consideration.
